## DEPARTMENT OF COMMUNITY AFFAIRS

CHRISTINE TODD WHITMAN  
GOVERNOR

LOCATION:

WILLIAM ASHBY  
COMMUNITY AFFAIRS BUILDING  
101 SOUTH BROAD STREET  
TRENTON, NEW JERSEY

HARRIET DERMAN  
COMMISSIONER

MAILING ADDRESS:

CN 800  
TRENTON, NJ 08625-0800

TO: The Honorable Christine Todd Whitman  
Governor

Members of the New Jersey Legislature

FROM: Harriet Derman  
Commissioner

I am pleased to transmit the Fifty-Fourth  
Annual Report of the Division of Local Government  
Services.

In accordance with New Jersey Statute, the  
report includes comparative financial statistics  
of all municipalities and counties in the State.  
The statistics are tabulated to highlight the  
cost of government, the cost of principal  
services, the amount of debt incurred and other  
pertinent data.

## FOREWORD

This report, the Fifty-fourth in a series which has been published consecutively since 1938, closely parallels all preceding annual reports.

Beginning in 1991, some municipalities changed their operating year to a State Fiscal year. (These municipalities are highlighted in this Report with a shaded page.) For these municipalities, the information contained within the body of this Report reflects 1992 (July 1991 - June 1992) budgeted appropriations. Data regarding the Transition year (January 1991 - June 1991) for these municipalities are located in a separate section after the main body of this document.

Information pertinent to the form of government and the number of members on the governing body is exhibited on each local unit page. Definitional information relative to statutory forms of government appears towards the end of the report. Similarly, a tabulation is provided listing the different types of governmental forms by county units.

As in prior years, care has been taken to preserve the comparability of data and to present, in convenient form, current financial and other statistics of the 588 local units of New Jersey government without diminishing the value of these reports as a historical series. The availability of current statistics of local finance has been of increasingly significant value to federal, state and local government officials, research groups, students of local finance, and investors in municipal and school bond markets.

The financial statistics contained in this report have been assembled from financial statements prepared by the chief financial officer of the local unit. Computer checks applied to this data and our studies conclude that these statements are adequate for reporting purposes.

In addition to the municipal and county financial data, there are a number of special tables comparing revenues and expenditures, debt trends and equalized tax rates over the current decade. Also, tables listing each unit in descending population order and another describing municipally operated utilities are provided.

A glossary providing essential information for the proper use of specific data is presented at the end of the report to assist those who may be unfamiliar with municipal finance and its terminology.

## ACKNOWLEDGMENTS

The fifty-fourth edition of this Annual Report was prepared by the Division's Office of Local Government Research. Grateful acknowledgment is extended to the following staff members: David S. Grimm, who coordinated the Report's preparation, provided overall support and supervised the data compilation; June Teel, who compiled and verified data and provided her computer expertise; and Marc Pfeiffer, who served as Chief of the Office.

Acknowledgment is also extended to those employees of the Division of Local Government Services for their cooperation in providing ready access to source documents and for rendering technical assistance.

Additionally, a debt of gratitude is owed to the Division of Taxation in the Department of Treasury and to the Office of Business Economics in the Department of Labor for providing us with valuation and population data used in this Report. We are also grateful to the Department of Transportation for allowing us the use of their computers.

General Obligation Bond Ratings for New Jersey municipalities were obtained from: Standard & Poor's Bond Guide, July 1993, Standard & Poor's Corp. N.Y., N.Y., and Moody's Bond Record, August 1993, Moody's Investors Service, N.Y., N.Y.

TABLE I  
POPULATION CLASSIFICATIONS OF NEW JERSEY COUNTIES AND CITIES  
(BASED UPON THE 1980 OFFICIAL CENSUS)

Counties (N.J.S. 40A:6-1)

1st Class	Excess of 550,000 = Population density exceeding 3,000 per square mile Essex, Bergen, Hudson
2nd Class	All others exceeding 200,000 = Not bordering on the Atlantic Ocean = Burlington, Gloucester, Morris, Union, Passaic, Camden, Middlesex, Mercer, Somerset
3rd Class	50,000 - 200,000 = Not bordering on the Atlantic Ocean = Hunterdon, Salem, Cumberland, Sussex, Warren
4th Class	Less than 50,000 = Not bordering on Atlantic Ocean = None
5th Class	Bordering on the Atlantic Ocean, exceeding 100,000 = Monmouth, Atlantic, Ocean
6th Class	Bordering on the Atlantic Ocean, less than 100,000 = Cape May

Cities (R.S. 40:167-2)

1st Class	Exceeding 150,000 = Newark and Jersey City
2nd Class	12,000 - 150,000
3rd Class	All those not in 1st or 2nd class, except cities bordering upon Atlantic Ocean which are seaside or summer resorts.
4th Class	All cities bordering upon the Atlantic Ocean which are seaside or summer resorts.

TABLE 2

TABLE 8

## AUTHORITY DEBT - DECEMBER 31, 1991

The following tabulation represents the outstanding capital debt of locally created Authorities within New Jersey. Local Authorities operate on various fiscal years; the amounts shown below reflect outstanding bonds, notes, loans and mortgages payable by the Authority as of the respective fiscal year ended nearest to December 31, 1991. The information was obtained from reports of audit filed with the Division pursuant to law.

Table 10

## SPECIAL DISTRICT TAXES LEVIED IN 1991

This table presents a tabulation of special district taxes levied upon a portion of the municipalities listed for the specific services - (F) Fire, (G) Garbage, (L) Light, (W) Water, (C) Commons. These taxes and obligations are the sole responsibility of the special districts; operations cause no liability for the balance of the municipality. The parenthetical figures denote the number of districts.

MUNICIPALITY	# FIRE DIST'S	FIRE AMOUNT	OTHER DIST'S	OTHER AMOUNT	TOTAL DIST'S	TAX LEVY	MUNICIPALITY	# FIRE DIST'S	FIRE AMOUNT	OTHER DIST'S	OTHER AMOUNT	TOTAL DIST'S	TAX LEVY
Aberdeen Twp.	(2)	635,167	G-(1)	1,319,142	(3)	1,954,309	Little Egg Harbor Twp.	(3)	429,540			(3)	429,540

TABLE 11

EQUALIZED PROPERTY TAX RATE

The equalized property tax rates for selected years are shown below for all municipalities by County area. These tax rates are the result of multiplying the general tax rate by the ratio of assessed to true value as certified by the Director of Taxation on October 1st of each year pursuant to statute. Thus, the table shows the tax rate that would be applied if the assessment level were 100 percent. This permits ready comparison of the tax trends of New Jersey's local units.

TABLE 13

1991 COUNTY LOCAL HEALTH SERVICES TAX (R.S. 26:3A2-19)

These property taxes are levied in each municipality which provides local health services through agreement with the County Health Department, pursuant to the Local Health Services Act of 1975 and comprise the annual operating budget of the County Health Department.

1991 COUNTY OPEN SPACE PRESERVATION TRUST FUND TAX (Ch. 30, P.L. 1989)

Taxes raised under the "County Open Space Preservation Trust Fund Tax" must be authorized by voters of each county assessing the tax, and creates a dedicated trust fund used to purchase land or water areas to be used for open space preservation. The law was approved in 1989 and was retroactive for the 2 previous years for counties that had created the program without the statutory authorization.

## STATUTORY FORMS OF GOVERNMENT OF LOCAL UNITS OF NEW JERSEY

On each municipal page, under the name of the local unit, there appears the statutory form of government. An explanation of the various forms presently in operation are as follows:

Borough - an elected council usually consisting of six members with both administrative and policy making powers and an elected mayor with limited authority for administration.

Commission - (commonly referred to as the Walsh Act) is comprised of an elected governing body of three or five members (determined by population class). This body has both legislative and administrative authority.

Township Committee - an elected governing body usually consisting of three or five members with legislative and administrative authority.

Town Council - structurally similar to the borough form with a separately elected mayor and council deviating in size according to the number of wards.

Village - an elected body of five trustees with both legislative and administrative authority. (There are only (3) villages in the State at present.)

Mayor-Council - includes referendum charter forms authorized between 1897 and 1908 and special charters approved by the Legislature. Its constituency varies in size.

Council Manager Act of 1923 - an elected body of five, seven, or nine members which appoints its mayor and other officers. It appoints a municipal manager who is given authority to administer the local unit.

### OPTIONAL MUNICIPAL CHARTER LAW OF 1950

Council-Manager - an elected policy-making council of five, seven or nine members (at discretion of voters) which appoints its mayor, a municipal clerk and a municipal manager who has authority and responsibility for overall municipal administration. This form differs from the 1923 form in the greater degree of discretion in both council representation and administrative organization.

Mayor-Council - an elected policy-making body of five, seven or nine members (voter's option) and a separately elected mayor with authority and responsibility for overall administration including the appointment of a business administrator to direct the department of administration required under this plan.

Small Municipality - an elected policy-making body of three, five or seven members including a mayor elected by the voters or the council who has authority for overall administration of the unit. This form of government is limited to units with less than 12,000 persons.

### OPTIONAL COUNTY CHARTER LAW OF 1972

County Executive Plan - an elected board of chosen freeholders of five, seven or nine members and an elected county executive who is authorized to supervise, direct and control all county administrative departments.

County Manager Plan - an elected board of chosen freeholders of five, seven or nine members and an appointed county manager who is authorized to supervise, direct and control all county administrative departments.

County Supervisor Plan - an elected board of chosen freeholders of five, seven or nine members and an elected county supervisor. The legislative power is vested in the board of chosen freeholders; the executive power is exercised by the county supervisor.

County Board President Plan - an elected board of chosen freeholders of five, seven or nine members who elect a board president who presides at board meetings and oversees the work of the appointed administrator.

## GLOSSARY

- ANNUAL BUDGET: the governing body of each local unit is required by law to adopt a budget for each calendar year. The law is N.J.S. 40A:4-1 et seq., known as the "local budget law." Every municipality and county in New Jersey operates on a full cash basis.
- ANNUAL DEBT STATEMENT: sworn statement filed by law by the chief financial officer of the local unit, attesting to the debt condition of the local unit. The law is N.J.S. 40A:2-1 et seq., known as the "local bond law."
- ASSESSED VALUATION: the proportional value of property assessed for real property taxation as determined by the local assessor whose jurisdiction extends over a municipal area. (see Net Valuation Taxable.)
- ASSESSMENT OF TAXES: the process of levying property taxes proportioned to property value. The expenditure report line with this title includes expenditures incurred for supervision and maintenance of appraisal and assessment records, tax map preparation and maintenance, revaluation programs, and other activities of the local assessor and the County Board of Taxation.
- AUTHORITIES: corporate public agencies created to perform specific functions within a local unit or region. Authorities have power to levy and collect service charges, incur debt, and operate autonomously.
- AUTHORITY DEBT: indebtedness of an authority outstanding on the date specified.
- BANK CORP. TAX: applies to all banks and banking associations, organized under the authority of New Jersey and whose principal place of business is New Jersey. This tax was a county and municipal tax prior to 1970. The rate was increased from 3/4% to 1 1/2% in 1970 on the value of common and preferred stock, and provision was made for the distribution of 1/2 the proceeds to state for general state purposes, the other half is equally divided by the county and municipality in which the bank(s) is located. Recently enacted legislation (c. 170 P.L. 1975) repeals the Bank Stock Tax Act and renders banks taxable under the Corporation Business Tax Act. Banks will be taxable upon their net income and net worth as in the case of corporations commencing in 1976. Distribution of this tax remains unchanged.
- BOND ORDINANCE: an ordinance adopted by the governing body of the local unit providing for the authorization of bonded indebtedness and repayment obligations under N.J.S. 40A:2-1 et seq., known as the "local bond law."
- BOND RATINGS: the credit rating assigned to a municipality or county by two agencies recognized as experts in the field of appraisal of local government finances. It will be noted that all local units are not rated. At present, both services--Moody's and Standard and Poor's--when a bond issue is sold and if the local unit does not contract with either of the two rating organizations for a credit rating, the rating previously given is withdrawn.
- CAPITAL DEBT: the long-term or short-term indebtedness authorized by bond ordinance for expenditures of a capital nature.
- CAPITAL DEBT ISSUED AND OUTSTANDING: principal amount of all capital debt issued and unpaid on the date specified.
- CAPITAL IMPROVEMENTS: the capital improvement expenditure data in this report includes: down payments on improvements (a 5% down payment is required in the "local bond law" when making an appropriation for improvement by ordinance), "Capital Improvement Fund" (which may be used to provide the necessary down payment or may be used to finance the improvement in whole or in part through an ordinance appropriation), and other capital improvement appropriations for capital projects or items of equipment such as fire engines, road scrapers, ambulances, etc.
- CAPITAL OUTLAY: expenditures by ordinance or budget appropriation for the construction, purchase, or improvement of fixed assets such as buildings and equipment, parks and playgrounds, vehicular equipment, streets, roads, sidewalks, storm sewers, etc. (See list of Capital Outlay on individual pages of local units.)

CASH BASIS BUDGET: a balanced budget, showing that there will be sufficient cash collected during the year to meet all debt service requirements, necessary operations of the local unit, and any mandatory payments required.

CHIEF FINANCIAL OFFICER: means the Director of Revenue and Finance, Comptroller, Treasurer, Collector or other financial officer of a municipality, or the treasurer of a county.

CORRECTIONAL AND PENAL: emergency shelters for minors accused of a crime: penitentiaries, jails, and detention houses.

COUNTY: a local unit of government governed by a Board of Chosen Freeholders. The County is responsible for welfare, education, tax assessment, elections, etc. (There are 21 counties in New Jersey.)

COUNTY EQUALIZATION RATIO: the equalization ratio used by the County Board of Taxation to calculate column 11 of the County Abstract of Ratables.

COUNTY EXTENSION SERVICES: farm and home demonstrations, 4-H Clubs, and related activities.

COUNTY TAXES: the amount paid by the municipality to the county for the municipal share of the county tax levy as apportioned by the County Board of Taxation.

CURRENT FINANCES: the current financial position of a local unit as reflected in its condensed current fund balance sheet for the fiscal year reported.

DEBT LIMITATION: the statutory debt limit in New Jersey is 3 1/2% for municipalities and 2% for counties, computed on the "equalized valuation basis."

DEBT SERVICE: the payment made by the local unit of the principal, interest and other charges on the obligations issued by it whether temporary or permanent.

DEDUCTIONS (FROM GROSS DEBT TO CALCULATE NET DEBT): the "local bond law" defines the methods for calculating the deductible portion of gross capital debt. All school debt within the statutory limit is deductible. All self-liquidating or utility debt is deductible if the utility is self-sustaining. If the utility is not self-sustaining, the operating deficit is capitalized at 5% and becomes a charge against the debt limit of the municipality. The deductions from other debt come about through funds on hand, accounts receivable, and similar specific items allowable as deductions. Also bonds authorized by another Public Body to be guaranteed by the municipality are deductible.

DEFERRED CHARGES: unbudgeted expenditures, payment of prior year's bills, deferred charges to future taxation.

DELINQUENT TAXES: all taxes unpaid at the close of the year.

DISTRICT SCHOOL TAXES: payments to the local school district, regional school district and consolidated school district for the support of the school budget.

EFFECTIVE TAX RATE: the effective tax rate is the tax rate which would apply if the property taxed were assessed at true value. Because New Jersey defines true value as market value, and conducts a statistically designed sales ratio program in order to calculate state promulgated equalization ratios, the effective property tax rate for New Jersey municipalities is the general tax rate multiplied by the equalization ratio.

ENVIRONMENTAL INSPECTION AND CONTROL: the expenditure line in this report includes these activities: code enforcement; building inspection; plumbing inspection; electrical inspection; elevator inspection; gas inspection; air conditioning inspection; heating plant inspections; housing and rooming house inspection; air pollution control; water pollution control; and sanitary inspections of nursing homes, hotels, motels, and trailer camps.

- EQUALIZATION RATIO:** the ratio of assessed value to true (market) value of real property.
- EQUALIZED VALUATION:** the true (market) value of real property, calculated by dividing the assessed value by the equalization ratio (see also State Equalized Value).
- EQUALIZED VALUATION BASIS:** the average of the three (3) preceding years of the sum total of: (a) the aggregate equalized valuations of real property as certified in the Table of Equalized Valuations published by the Director of the Division of Taxation of the Department of the Treasury on October 1, of each year; and (b) the assessed valuation of Class II railroad property as set forth in the Table of Equalized Valuations referred to in (a) above.
- EXPENDITURES:** actual cash disbursements plus amounts reserved to meet bills incurred during the year but unpaid at the close of the calendar year.
- FISCAL YEAR:** the period for which a Local Unit adopts a budget, pursuant to the Local Budget Law, N.J.S. 40A:4-1 et seq.
- GENERAL TAX RATE:** the general tax rate is the rate applied to the net taxable assessed valuation of a municipality to yield the required tax levy. It is the rate shown on the County Abstract of Ratables and on the tax bill. Because of varying assessment practices, it is a rate which has no meaning in comparative tax rate studies.
- GROSS DEBT:** includes all bonds and notes authorized or guaranteed by a local unit or a school district, whether or not issued. Does not include tax anticipation notes, emergency notes, special emergency notes, or utility revenue notes.
- HEALTH SERVICES EXCEPT ENVIRONMENTAL:** the municipal expenditure line in this report includes these activities: health boards and departments; physicians; visiting nurses; morgues; vital statistics; disease control; food; drug; food handling inspections; public baths; municipal child evaluation centers; municipal deprived children care; contributions to health organizations; narcotics centers; diagnostic centers; mental health and similar activities. The county expenditure line includes those of these activities not reported as a separate activity.
- HUMAN RESOURCES:** the expenditure line in this report includes activities such as those for youth, aging, Senior Citizens, child care centers, anti-poverty programs, head-start programs, etc.
- LAND RECLAMATION AND CONSERVATION:** the municipal expenditure line in this report includes these activities: water policy and conservation; flood prevention and damage; and conservation of natural resources.
- LINE ITEM:** a budget line item is an appropriation or a specific anticipated revenue. A property line item is an entry on the tax rolls.
- LOCAL PURPOSE TAXES:** the amount of taxes assessed to support the municipal budget (i.e. to operate and maintain the municipality and provide for municipal debt service.)
- LOCAL UNIT:** a county or municipality.
- MOODY RATING:** the Moody Rating is the credit rating given by the Moody's Investors Service.
- MUNICIPAL FUNCTIONS:** expenditures necessary to operate the municipality and provide the services required.
- MUNICIPAL PUBLIC UTILITY:** an agency created to perform specific functions within a municipal, county, or regional area. Operations are separate and distinct from the local unit, but not autonomous with respect to it. There are fifteen types of municipal utilities in New Jersey: water, sewer, airport, beach, water and sewer, harbor, electric, parking, swimming pool, country club, golf course, park, recreation, sanitation and transfer station.

MUNICIPALITY: a municipal corporation (there are no unincorporated territories in New Jersey). The name of a New Jersey municipality (i.e., city, town, township, borough or village) does not indicate size, population or form of government.

NET DEBT: the amount of authorized debt remaining after statutory deductions are taken. The present law limits the amount of net debt for municipalities to 3 1/2% of equalized valuation basis for the sum of municipal and school debt. The present law limits the amount of net debt for counties to 2% of equalized valuation basis.

NET VALUATION ON WHICH COUNTY TAXES ARE APPORTIONED: this figure is taken from column 11 of the County Abstract of Ratables. It includes the County equalization of net valuation taxable, plus several statutory adjustments, plus an equivalent valuation for the business personal property taxes collected and replaced by the State.

NET VALUATION TAXABLE: the assessed valuation of real property excluding Class II railroad property, over which property taxes are levied. Telephone and telegraph equipment are assessed locally, and are included in this figure.

OTHER JUDICIAL: court attendants and services of court reporters.

OTHER PUBLIC WORKS: the expenditure line in this report includes these activities: motor vehicle maintenance and fueling; public works equipment purchase and maintenance; general administration of public works; recreational flying fields; transportation capital expenditures; marine and harbor improvements; water system and improvements; feasibility studies; and purchase of municipal utilities.

OTHER REVENUES, REVENUE SHARING TAX EFFORT: includes realized alcohol beverage licenses, interest and costs on taxes and building permits, as well as any other miscellaneous licenses and permits reported in budget.

PARCEL: a parcel is a piece of property entered on the tax map as one unit and carried on the tax rolls for assessment and tax collection purposes as one unit.

PER CAPITA FIGURES: computations are based upon the estimated population for the report year. Care should be taken in using these figures for comparative purposes, since all services included are not necessarily provided to the residential population for the report year. Future research is planned to find a better measurement for cost comparisons.

PLANNING, HOUSING AND DEVELOPEMNT: the expenditure line in this report includes these activities: zoning; urban renewal; housing; planning; economic development; industrial commissions; physical rehabilitation; model cities programs; boards of adjustment; tidelands and meadowlands development; urban development; and community planning.

POPULATION: The official 1980 and 1990 Census of population conducted by the U.S. Department of Commerce, Bureau of the Census.

PROPERTY ACQUIRED BY DEED OR FORECLOSURE: (often referred to as foreclosed property.) When property taxes are unpaid, the collector is required by law to sell the property for non-payment of taxes. If there is no outside purchaser, the property is acquired by the municipality and the tax title lien is vested in the municipality. After 6 months from the date of the tax title lien sale, the municipality is permitted by law to foreclose the property owner's right of redemption of the lien and, thus, acquire title to the property.

RATABLE: a ratable is a taxable parcel of real property.

RESERVE FOR UNCOLLECTED TAXES: an item in the municipal budget which is designed to insure the municipality sufficient cash with which to carry out its functions after providing in full to other government units--local schools, county and special districts. This reserve becomes a tax levy added to the tax levy required to meet the budget, and represents the amount of tax monies expected to remain uncollected at the end of the year, based on the collection level of the previous year.

REVENUES: monies which were received during the calendar year. Surplus revenue may be in part offset by deferred charges and State Aid may be represented by State funds set aside as a reserve but not yet paid over.

SPECIAL DISTRICTS: independent governmental corporations created within a local municipal unit to provide definite functions and having power to tax, impose service charges and incur debt. They are autonomous, and their officials are usually elected, not appointed.

STANDARD AND POOR RATING: the Standard and Poor Rating is the credit rating given by the Standard and Poor Company.

STATE AID: revenues represent amounts received from the State under the several State Aid programs authorized by the State Legislature. These include State road aid, highway lighting, building allowances for Type I Schools and others.

STATE AND LOCAL FISCAL ASSISTANCE ACT OF 1972 (REVENUE SHARING): in general, funds received by units of local government from the federal government, and may be used only for priority expenditures, maintenance and operating expenses for (1) public safety, environmental protection, public transportation, health, recreation, libraries, social services for the poor and aged, and financial administration; (2) ordinary and necessary capital expenditures authorized by law. These utilizations are included in the report.

STATE EQUALIZATION RATIO: the equalization ratio promulgated by the Director of the Division of Taxation on October 1st of each year.

STATE EQUALIZED PROPERTY TAX RATES: derived by multiplying the general tax rate by the ratio of assessed value to true value (see table).

STATE EQUALIZED VALUE: the item reported in this report is calculated by dividing the net valuation taxable by the State Equalization Ratio to arrive at true value.

STATE EQUALIZED VALUATION: is promulgated by the Director of Taxation and represents a uniform computation of property value by formula designed to provide equitable distribution of State Aid programs.

STATE FISCAL YEAR: the period beginning on July 1 and ending on June 30 in any municipality in which the Fiscal year has been changed to a state fiscal year.

STATUTORY: this term is used to identify a situation established by law. For example: a statutory expenditure is one required by law.

TAX RATE: means the general tax rate applicable to all taxable property. It is derived by dividing the total tax levy by the net valuation taxable. All tax rates shown are based upon \$100 valuation.

TAX TITLE LIENS: this asset is created as a result of sale by municipality for non-payment of real estate taxes, delinquent assessments, utility charges or special district taxes.

TRANSITION YEAR: the period beginning on January 1 and ending on June 30 in the Calendar year during which the change in a municipality's Fiscal year to a State fiscal year takes effect.

TYPE I SCHOOL DEBT SERVICE: the amount of principal and interest included in the budget of the municipal corporation for payment of debt for school structures in Type I (formerly called Chapter VI) School Districts.

VETERAN AND SENIOR CITIZEN TAXES: veterans and senior citizens receive a special property tax deduction on their tax bill in the amount of \$50 for veterans and \$160 for senior citizens. Taxes were formerly levied by the municipalities to cover the costs of these deductions, with State reimbursement for one-half of the allowed deductions. In 1976, the State assumed this obligation in its entirety; taxes are no longer levied by municipalities for these deductions.

WEIGHTS AND MEASURES: county and local inspections of weighing and measuring equipment and related law enforcement.
